

Howmet Fastening Systems

Customized Aerospace Distribution & Logistics Solutions

Howmet Fastening Systems' Distribution & Logistics Operations are uniquely positioned to provide outstanding products and service solutions to the global aerospace industry.

As part of **Howmet Fastening Systems (HFS)**, we represent the industry's No. 1 fastening system designer and manufacturer, which operates at 27 locations in 10 countries. HFS was born from many famous historical brands and possesses the broadest range of available aerospace fastener patents. HFS produces over 1.5 million active part numbers and delivers over 1.1 billion parts to aerospace customers each year.

As part of **Howmet Aerospace**, we are supported with the vision, values, and global reach of one of the most respected companies in the world with the capacity to anticipate changing market trends and be where our customers need us to be with innovative service solutions that lead to mission success.

We truly view you, our customers, as business partners where we respond to your needs with all-around consultation and solutions which allow you to focus on what you do best – the skillful production, maintenance, overhauling and repair of aircraft, systems, and components.

Our business reaches all four corners of the world. We speak the modern language of business and all the many languages and cultures of our customers. Our service team is ready to support you.
