Howmet Aerospace to Host Technology Day on May 23, 2022

PITTSBURGH, PA, April 21, 2022 – Howmet Aerospace Inc. (NYSE: HWM) announced today that it will host a Technology Day on Monday, May 23, 2022, at 1:00 PM ET in New York.

A detailed agenda and a real-time webcast of the event will be available on the “Investors/Events and Presentations” section of www.howmet.com.

About Howmet Aerospace

Howmet Aerospace Inc., headquartered in Pittsburgh, Pennsylvania, is a leading global provider of advanced engineered solutions for the aerospace and transportation industries. The Company’s primary businesses focus on jet engine components, aerospace fastening systems, and airframe structural components necessary for mission-critical performance and efficiency in aerospace and defense applications, as well as forged wheels for commercial transportation. With nearly 1,150 granted and pending patents, the Company’s differentiated technologies enable lighter, more fuel-efficient aircraft and commercial trucks to operate with a lower carbon footprint.
