Howmet Aerospace to Present at Jefferies Industrials Conference

PITTSBURGH, PA, August 21, 2025 – Howmet Aerospace Inc. (NYSE: HWM) announced today that John C. Plant, Chairman and Chief Executive Officer will speak at the Jefferies Industrials Conference in New York, NY on Thursday, September 4, 2025, at 9:30 AM ET.

A real-time webcast of the event will be available on the “Investors/Events and Presentations” section of www.howmet.com, where a webcast replay will be available for 90 days following the presentation.

About Howmet Aerospace

Howmet Aerospace Inc., headquartered in Pittsburgh, Pennsylvania, is a leading global provider of advanced engineered solutions for the aerospace and transportation industries. The Company’s primary businesses focus on jet engine components, aerospace fastening systems, and airframe structural components necessary for mission-critical performance and efficiency in aerospace and defense applications, as well as forged wheels for commercial transportation. With approximately 1,150 granted patents, the Company’s differentiated technologies enable lighter, more fuel-efficient aircraft and commercial trucks to operate with a lower carbon footprint.
