

Certificate of Registration

QUALITY MANAGEMENT SYSTEM - AS9100D AND ISO 9001:2015

This is to certify that:

Howmet Aerospace Corporation
BU Support
1500 South Warner Street
Whitehall
Michigan
49461
USA

Holds Certificate No:

FM 76284

and operates a Quality Management System, with a several site certification structure, which complies with the requirements of AS9100D (technically equivalent to EN9100:2018 and JISQ 9100:2016) and ISO 9001:2015 and is assessed in accordance with AS9104/1:2012 for the following scope:

The manufacture of investment castings for the aerospace, defense, and industrial markets. This includes supporting operations for the manufacture of superalloy, titanium, aluminum, ceramic cores, pattern and gating waxes, ceramic crucibles and related components, titanium ingot, thermal protective coatings for castings, Hot Isostatic Pressing, vacuum heat treat, vacuum brazing and welding, metal finishing, machining, and laboratory testing services for castings.

Previous certificate expired on 11/04/2024.
Recertification audit ended 09/27/2024.

For and on behalf of BSI:

Jessica Patel, Senior Vice President, Assurance Americas
